The United States Government, as represented by the Contracting Officer, hereby contracts with you for the submission of certain information and related directed services of a confidential nature under the following terms and conditions:

1. Compensation. In consideration of the submission of such information and related directed services, you will be paid \$500.00 per month until the activity is completed, a period to approximate 6 months. Of this amount:

\$450.00 per month to be held in escrow pending your departure to and return from such activity.

\$ 50.00 per month to be paid directly to you for personal expenses.

2. Bonus. A bonus to be paid contingent upon the comparative success of the mission, the amount of the bonus to be determined at a later date by the Contracting Officer, if the Contractee is chosen to perform the task assigned.

3. Termination. In the event the United States Government terminates this activity or your connection with same, sooner than originally proposed, through no fault of yours, you will receive all monies held in escrow and a satisfactory resettlement will be effected as per prior oral agreement with the United States Government.

However, if for any reason traceable to you, such as making yourself unavailable for proper services or training, you fail to consummate the terms of our understanding, you will not receive monies held in escrow, your salary will be immediately terminated and you will be resettled in a place in accordance with above mentioned prior agreement without further compensation or assistance.

4. Secrecy Clause. You will be required to keep forever secret the contract and all information which you may obtain by reason hereof (unless released in writing by the Government from such obligation), with full knowledge that violation of such secrecy may subject you to criminal prosecution under the Espionage Laws dated 25 June 1948, as amended, and other applicable laws and regulations.
